Unnikrishnan Thekkekuruvath

Technical Product Manager

About me

Hi, My name is Unni and currently a Technical Product Manager in Natwest Group. I am passionate about developing tools and products to boost engineering experience. I have experience in delivering microservices using the twelve-factor app methodology, designing event-driven architecture and implementing infrastructure solutions and services, experienced in leading an engineering team to achive concrete goals on a strict deadline.

Grew up Quardrilingual (English, Malayalam, Hindi, Tamil).
